BIDS AND AWARDS COMMITTEE (BAC)

**SUPPLEMENTAL/ BID BULLETIN
No. 19-2010**

This Supplemental/Bid Bulletin is issued to amend the Technical Specifications for the **Procurement of Services for the Digitization of Republic Act (R.A.) Nos. 304, 897 and 369 Documents and Provision for Document Management Solution** and in reply to the clarification sought by CD Technologies Asia, Inc., in its electronic mail on September 16, 2010:

1. Item 1.1 which states “Vendor shall digitize a minimum of 3 million pages of documents. In excess of 3 million, vendor will charge BTr on a per page basis” be changed to **“The vendor shall digitize a minimum of 3 million pages of documents. In the event that the actual number of documents digitized exceeds 3 million but less than 5 million, the vendor will be paid only on the actual number of documents digitized.”**

Thus, the ABC amounting to P16, 900,000.00 is for the digitization of 5 million documents, including its hardware and software components as specified in the TOR.

2. On the requirements for completed projects of a similar nature

Instructions to Bidders, Section A, item 5.4., states “Unless otherwise provided in the Bid Data Sheet (BDS), the Bidder must have completed at least one contract similar to the Project, the value of which, adjusted to current prices using the National Statistics Office price consumer index, must be equivalent to a percentage of the ABC as stated in the BDS”.

The Bid Data Sheet, ITB Clause 5.4 further provides that “The amount of the single largest similar contract completed within the past three (3) years must be equivalent to 50% of the ABC”.

Bidders should have completed one (1) similar project amounting to P8,450,000.00. In the event that for the past three (3) years the Bidder has completed similar project costing less than P8,450,000.00, the Bidder should submit the adjusted computation for the said project based on the current prices using the National Statistics Office price consumer index.

For the guidance and information of all concerned.
