**SUPPLEMENTAL/ BID BULLETIN  
No. 20-2010**

This Supplemental/Bid Bulletin is issued in reply to the clarification sought by Eastern Telecommunications Philippines, Inc., for the **Supply and Installation of Dedicated Internet Access Service**, in its electronic mail on September 16, 2010:

<b>QUERY</b>	<b>REPLY OF THE PROCURRING ENTITY</b>
1. Specs of the router	1. The router's specification is at the Bidder's discretion, as long as it is compliant with the Load Balancing requirement provided for in the Terms of Reference.
2. Last mile (route) of circuit (as this is factored in cost). Does the last mile have to be owned by the bidder?	2. The Last mile source is at the bidder's chosen facility. It may be from their own facility or from a 3 <sup>rd</sup> party, as long as the chosen Last Mile is not the same with the last Mile provided by the Bidder for other Lot (Lot 1 or Lot 2).

For the guidance and information of all concerned.
