Gender and Development Focal Point System (GFPS) Strategic Planning Conference 2019

The Gender and Development (GAD) Focal Point System (GFPS) of the Bureau of the Treasury (BTr) held its Strategic Planning Conference for 2019 at Abagatan Ti Manila, Alfonso, Cavite last 6-7 June 2019. Ms. Reina D. Olivar, a Philippine Commission on Women (PCW) – accredited GAD Specialist acted as the resource speaker and facilitator of the said conference.

GFPS members together with Ms. Reina D. Olivar, PCW-accredited GAD Specialist as resource speaker and facilitator.

This year's GAD strategic planning conference oriented the newly-reconstituted BTr GFPS on Results-Based Management, Monitoring and Evaluation (RBMME) and facilitated the development of the 6-year BTr GAD Agenda and the 2020 GAD Plan and Budget.

The GFPS is looking forward to successfully accomplish its plans and programs especially those that are targeted for completion by the end of 2019. These include the establishment of the GAD Corner and the launching of the Child-Minding Station in the Bureau. The GFPS, together with the support of the BTr Management, is envisioning a better and more gender-responsive working environment for its employees and various stakeholders through the implementation of GAD-related programs and projects.
