**MEMORANDUM**

**TO :** All NRoSS Sponsoring Participants/Custodians/Trusts Institutions

**SUBJECT :** Apostillized Investor's Undertaking in Lieu of the Consular Authentication for Apostille-Contracting Parties

**DATE :** October 07, 2019

---

In view of the accession by the Philippines to the Apostille Convention, the required Investor's Undertaking may be authenticated in the following manner:

1. If the origin of the document is a country that has not yet acceded to the Apostille Convention, then the Investor's Undertaking must follow the usual process of authentication by the Philippine Embassy/Consulate.
2. If the origin of the document is a country that is party to the Apostille Convention (except Austria, Finland, Germany and Greece), then the Investor's Undertaking no longer have to be authenticated by the Philippines Embassy /Consulate and instead should be Apostillized.

Please refer to the following link: <https://dfa.gov.ph/dfa-news/statements-and-advisoriesupdate/22114-public-advisory-apostille-convention-on-authentication-of-documents-takes-effect-in-ph-on-14-may-2019> for the DFA Advisory on the Philippines' accession to the Apostille Convention effective May 14, 2019 in connection with the acceptability of the apostillized documents as replacement for legalization or consular authentication with the Philippine Embassy.

For your guidance.
