BTr Secures ISO Recertification

MANILA, Philippines, 5 July 2021 – The Bureau of the Treasury's (BTr) quality management systems have been successfully recertified according to the standards under ISO 9001:2015. Following the surveillance audit by SOCOTEC Certification International Philippines, Inc. last 01 July 2021, the continued certification of BTr's quality management systems ensure that its processes and services meet the needs of clients and stakeholders through an effective quality management system.

The scope of BTr's certification covers public administration particularly policy formulation, cash management, liability management, and public bonding operations.

The certification reflects BTr's continued commitment to quality, service excellence, and the continuous improvement of its products and services. Amidst the challenging economic landscape brought about by the global health crisis, the BTr continues to uphold the highest standards of service and continues to drive innovation to foster fiscal prudence and stability in treasury management.
