**ADVISORY**

03 July 2024

Please be informed that the **NG Outstanding Debt Report** for end-May 2024 will be published one day earlier than previously scheduled. The new release date is now 4 July, 2024, ahead of the original ARC schedule.

This adjustment is intended to provide the market with additional time to review and react to the data contained within the report. We believe this will enhance market transparency and allow for more informed decision-making.

We appreciate your attention to this change. The report will be available on our official website and through our usual distribution channels.
