Bureau of the Treasury Donation Drive for the Women's Crisis Center

MANILA, Philippines, 16 May 2025 - The Bureau of the Treasury (BTr), through its Gender and Development (GAD) Focal Point System (GFPS), delivered the donations collected to the Women's Crisis Center in East Avenue Medical Center, Quezon City. This initiative reflects the Bureau's continued commitment to supporting women's welfare and advancing gender-responsive programs. The donated items aim to help address the immediate needs of women and children seeking safety and care at the center. The Women's Crisis Center expressed its gratitude and looks forward to more collaborative efforts with the Bureau in the future.
